Cherry Nightclub at the Red Rock Resort and Casino

Las Vegas, NV

Although Red Rock is built away from the hustle and bustle of the Las Vegas strip, there is nothing reserved about its nightclub, Cherry. This sumptuous nightlife spot features edgy dance beats from the area's hottest DJs, tasty cocktails, and with its jazzy LED lighting by Color Kinetics it's easy to see why visitors find this club to be a memorable experience.

Stephen Lieberman, president of SJ Lighting, was tasked to differentiate Cherry from all the clubs on the Vegas strip, and he was up to the challenge. Working with 4Wall Entertainment, a leading international provider of lighting systems for theatrical, architectural, and marketing applications, they created an enticing night club with striking lighting effects.
